

#### Responsibilities of the Faculty Education and Training Commission

- a) To examine matters related to education and training referred by the Dean's Office within the framework of the relevant legislation and institutional procedures, and to submit recommendations.
- b) To evaluate proposals concerning the introduction of new courses, changes to the titles, codes, contents, or credits of existing courses, and the removal of courses from the curricula of the departments/programs within the Faculty, and to submit its opinion.
- c) To provide opinions and recommendations regarding the Academic Calendar.
- d) To organize and coordinate student orientation programs.
- e) To review the Faculty's regulations and directives related to education and training (e.g., Internship Directives), and to evaluate and provide opinions on proposed amendments.
