

Foreign Language II (3-0) 3

This course is designed to enable university students to use the skills of reading, speaking, listening and writing in any academic activity they conduct in their field. The knowledge and skills students gain in "Foreign Language I" course should be aimed to increase to a higher level. In doing so, lecturers must be attentive to create interesting contexts, to practice language-enhancing exercises, to use the language in real communication skills, and so to increase the linguistic and communicative competence of learners and their foreign language competences.
